QUALIFIER CUTOFF

Pass or fail? The 40/50 rule

Most students know the average rule. Many forget the other one.

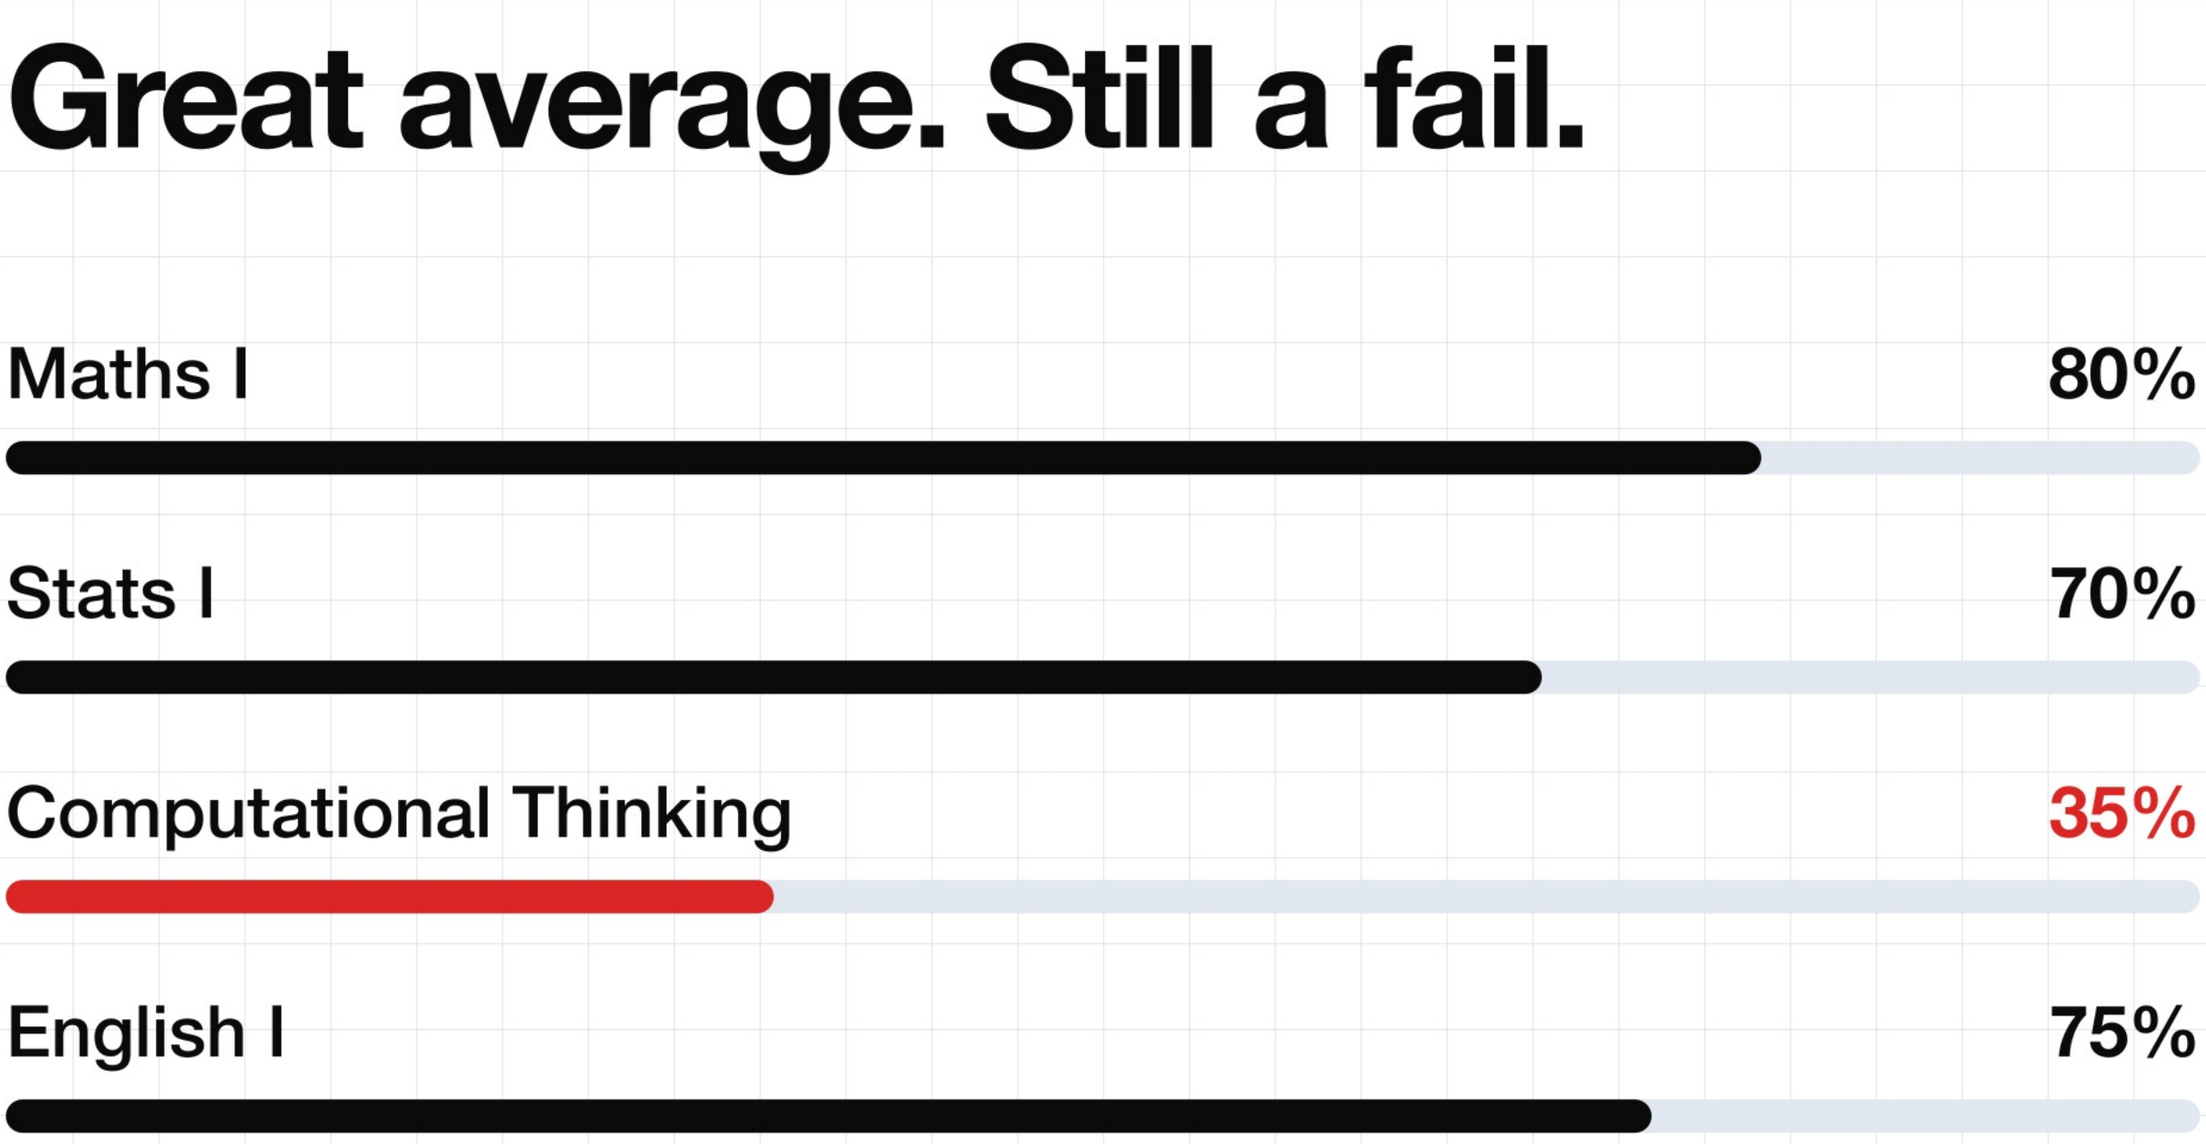

THE RULE (GENERAL CATEGORY)

You need both

- At least 40% in every one of the 4 subjects.
- At least 50% average across the 4 subjects.
- Miss either one and you do not qualify.

STUDENT A

Great average. Still a fail.

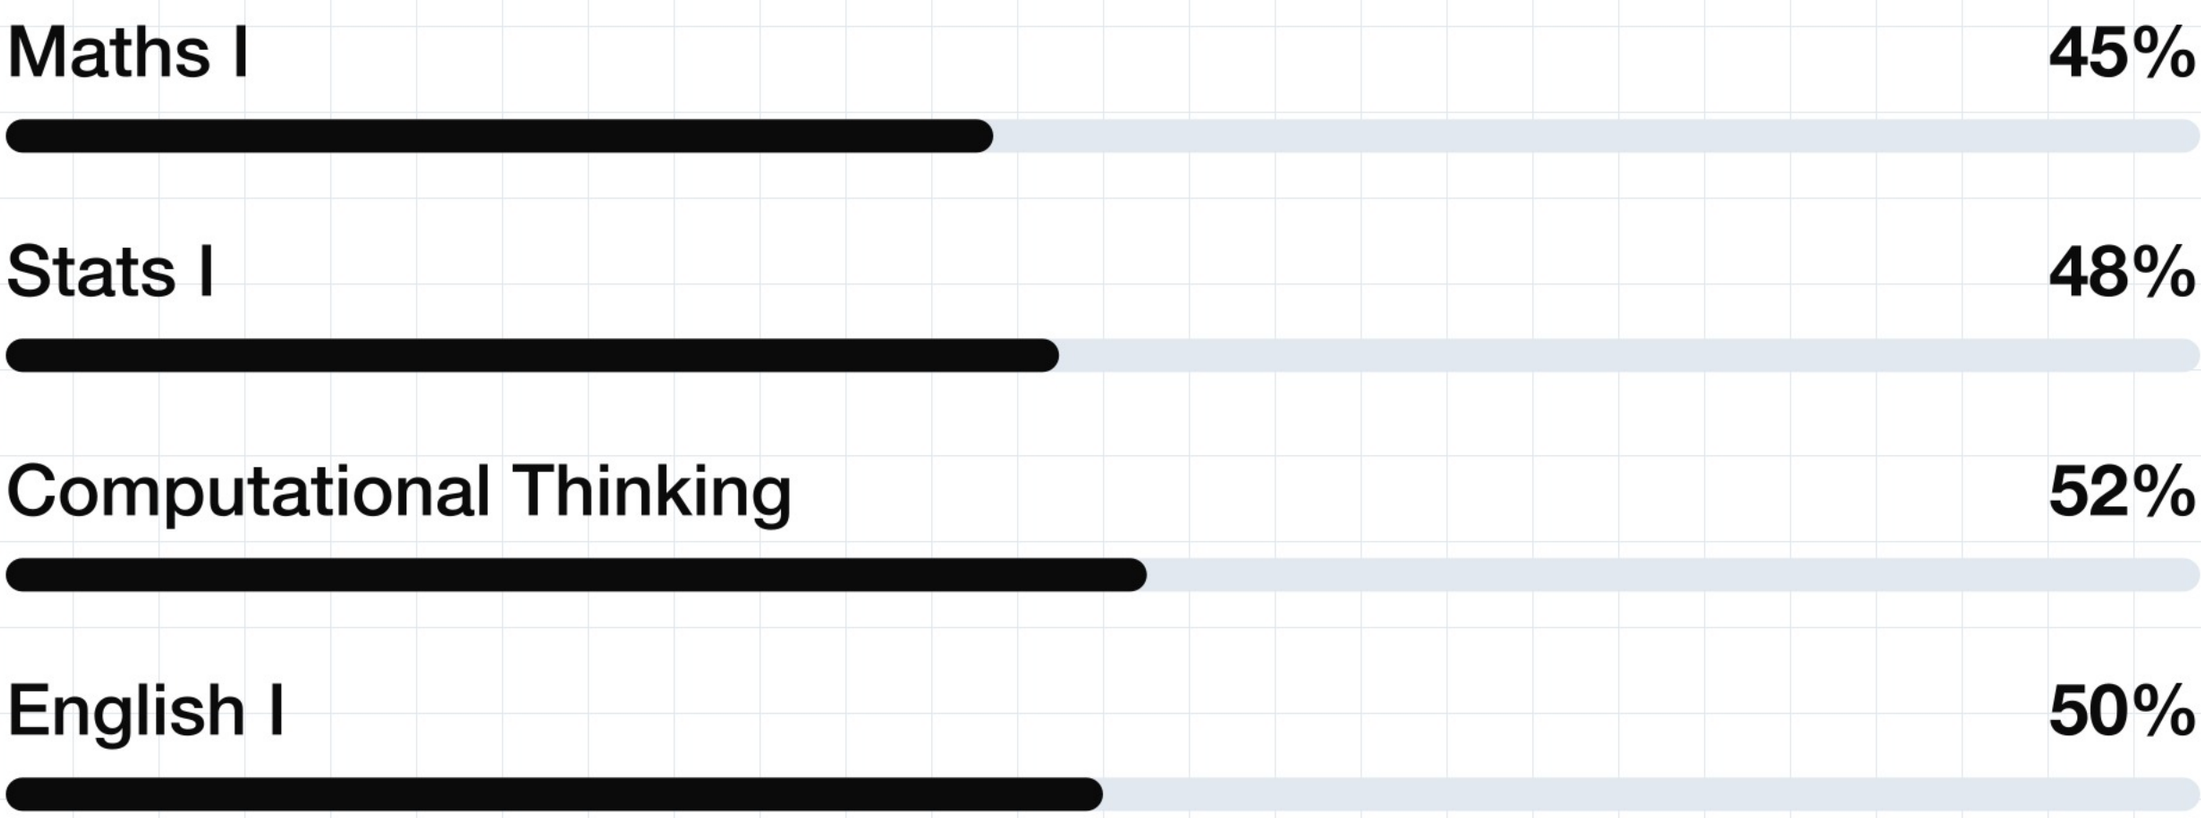

Fail

Average 65%, but one subject is below 40%

STUDENT B

Every subject above 40%. Still a fail.

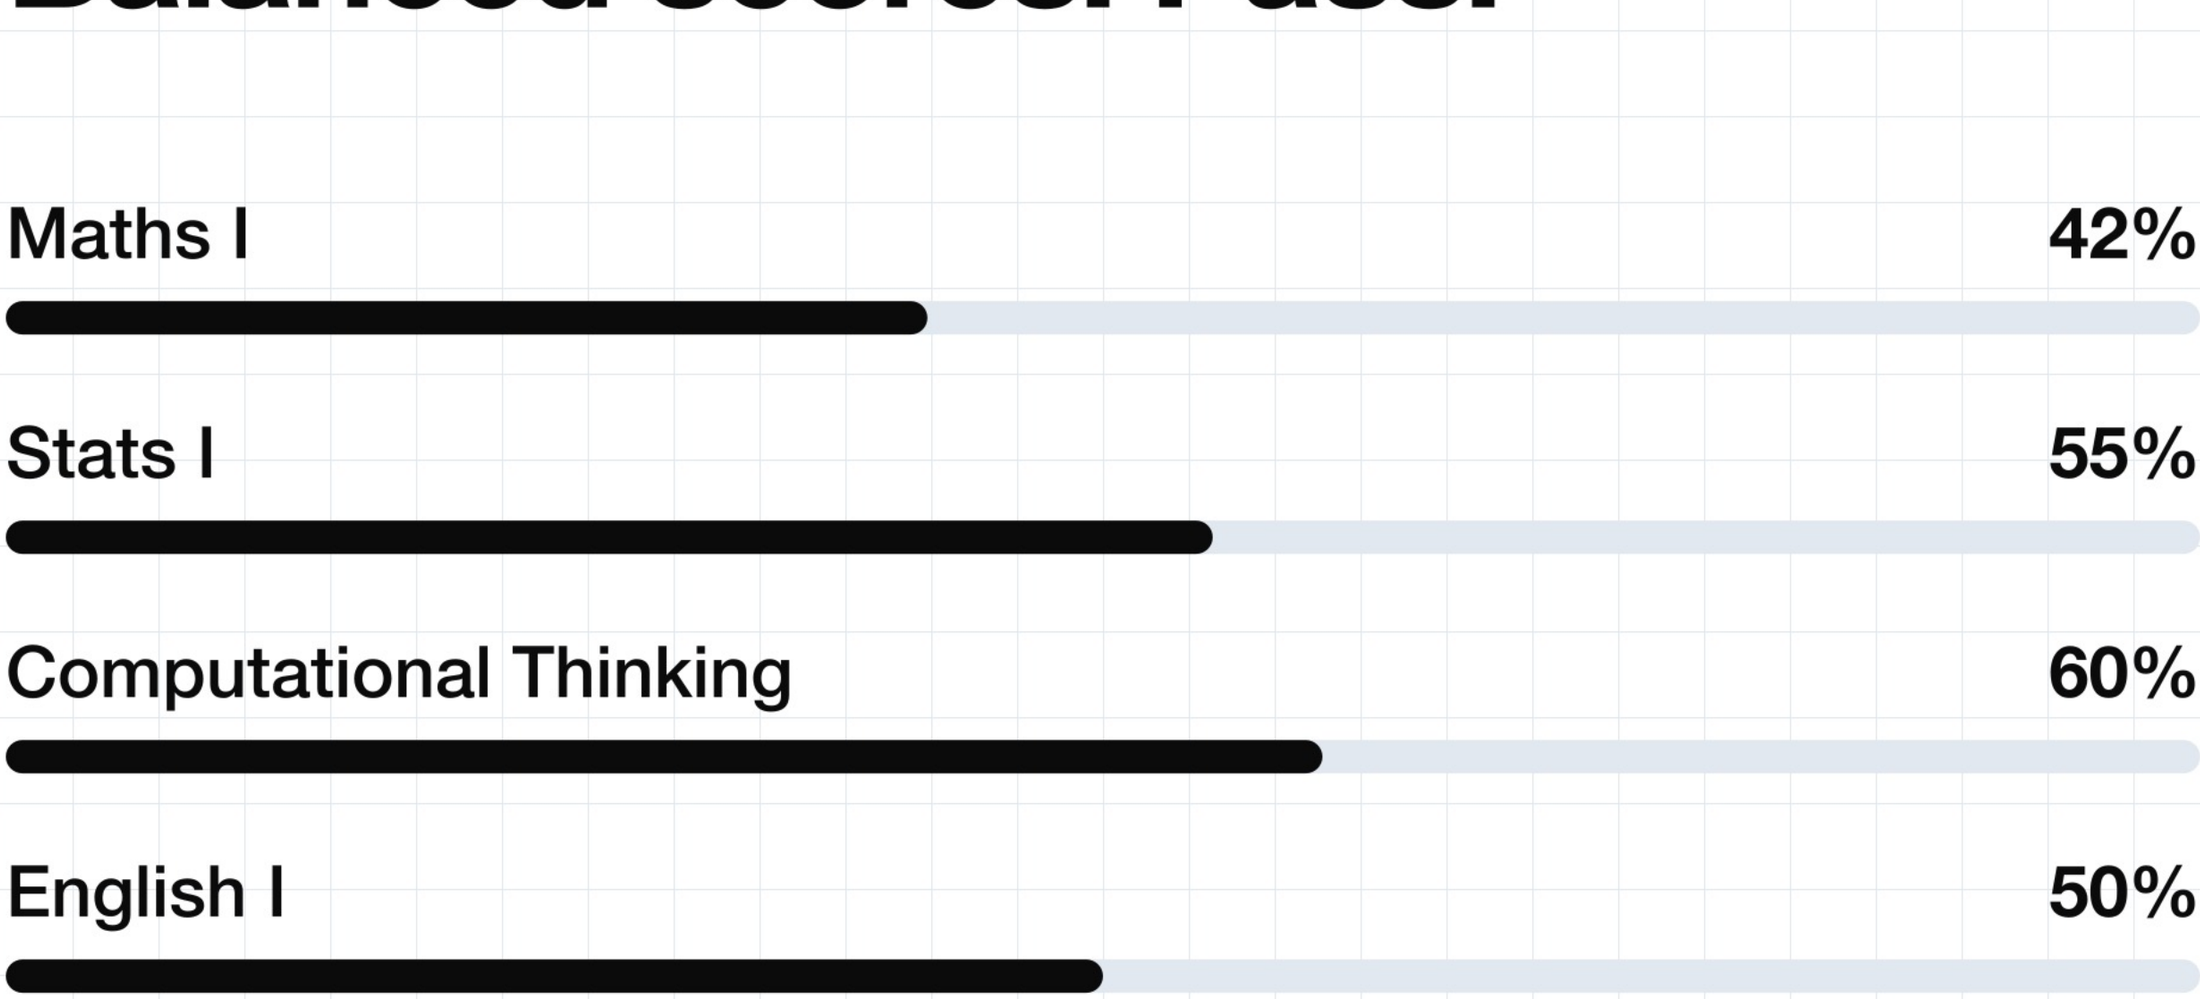

Fail

Every subject is above 40%, but the average is only 48.75%

STUDENT C

Balanced scores. Pass.

Pass

Every subject is above 40% and the average is 51.75%

THE LESSON

Fix your weakest subject first.

One weak subject can fail you, even with a great average.
