END OF WEEK 1

Take your first full mock today

Not to get a high score. To find out what to study next.

HOW TO TAKE IT

Make it feel like exam day

All 4 subjects, on a timer

One sitting. No pausing.

No notes, no searching

Only the on-screen calculator.

Check the 40/50 rule

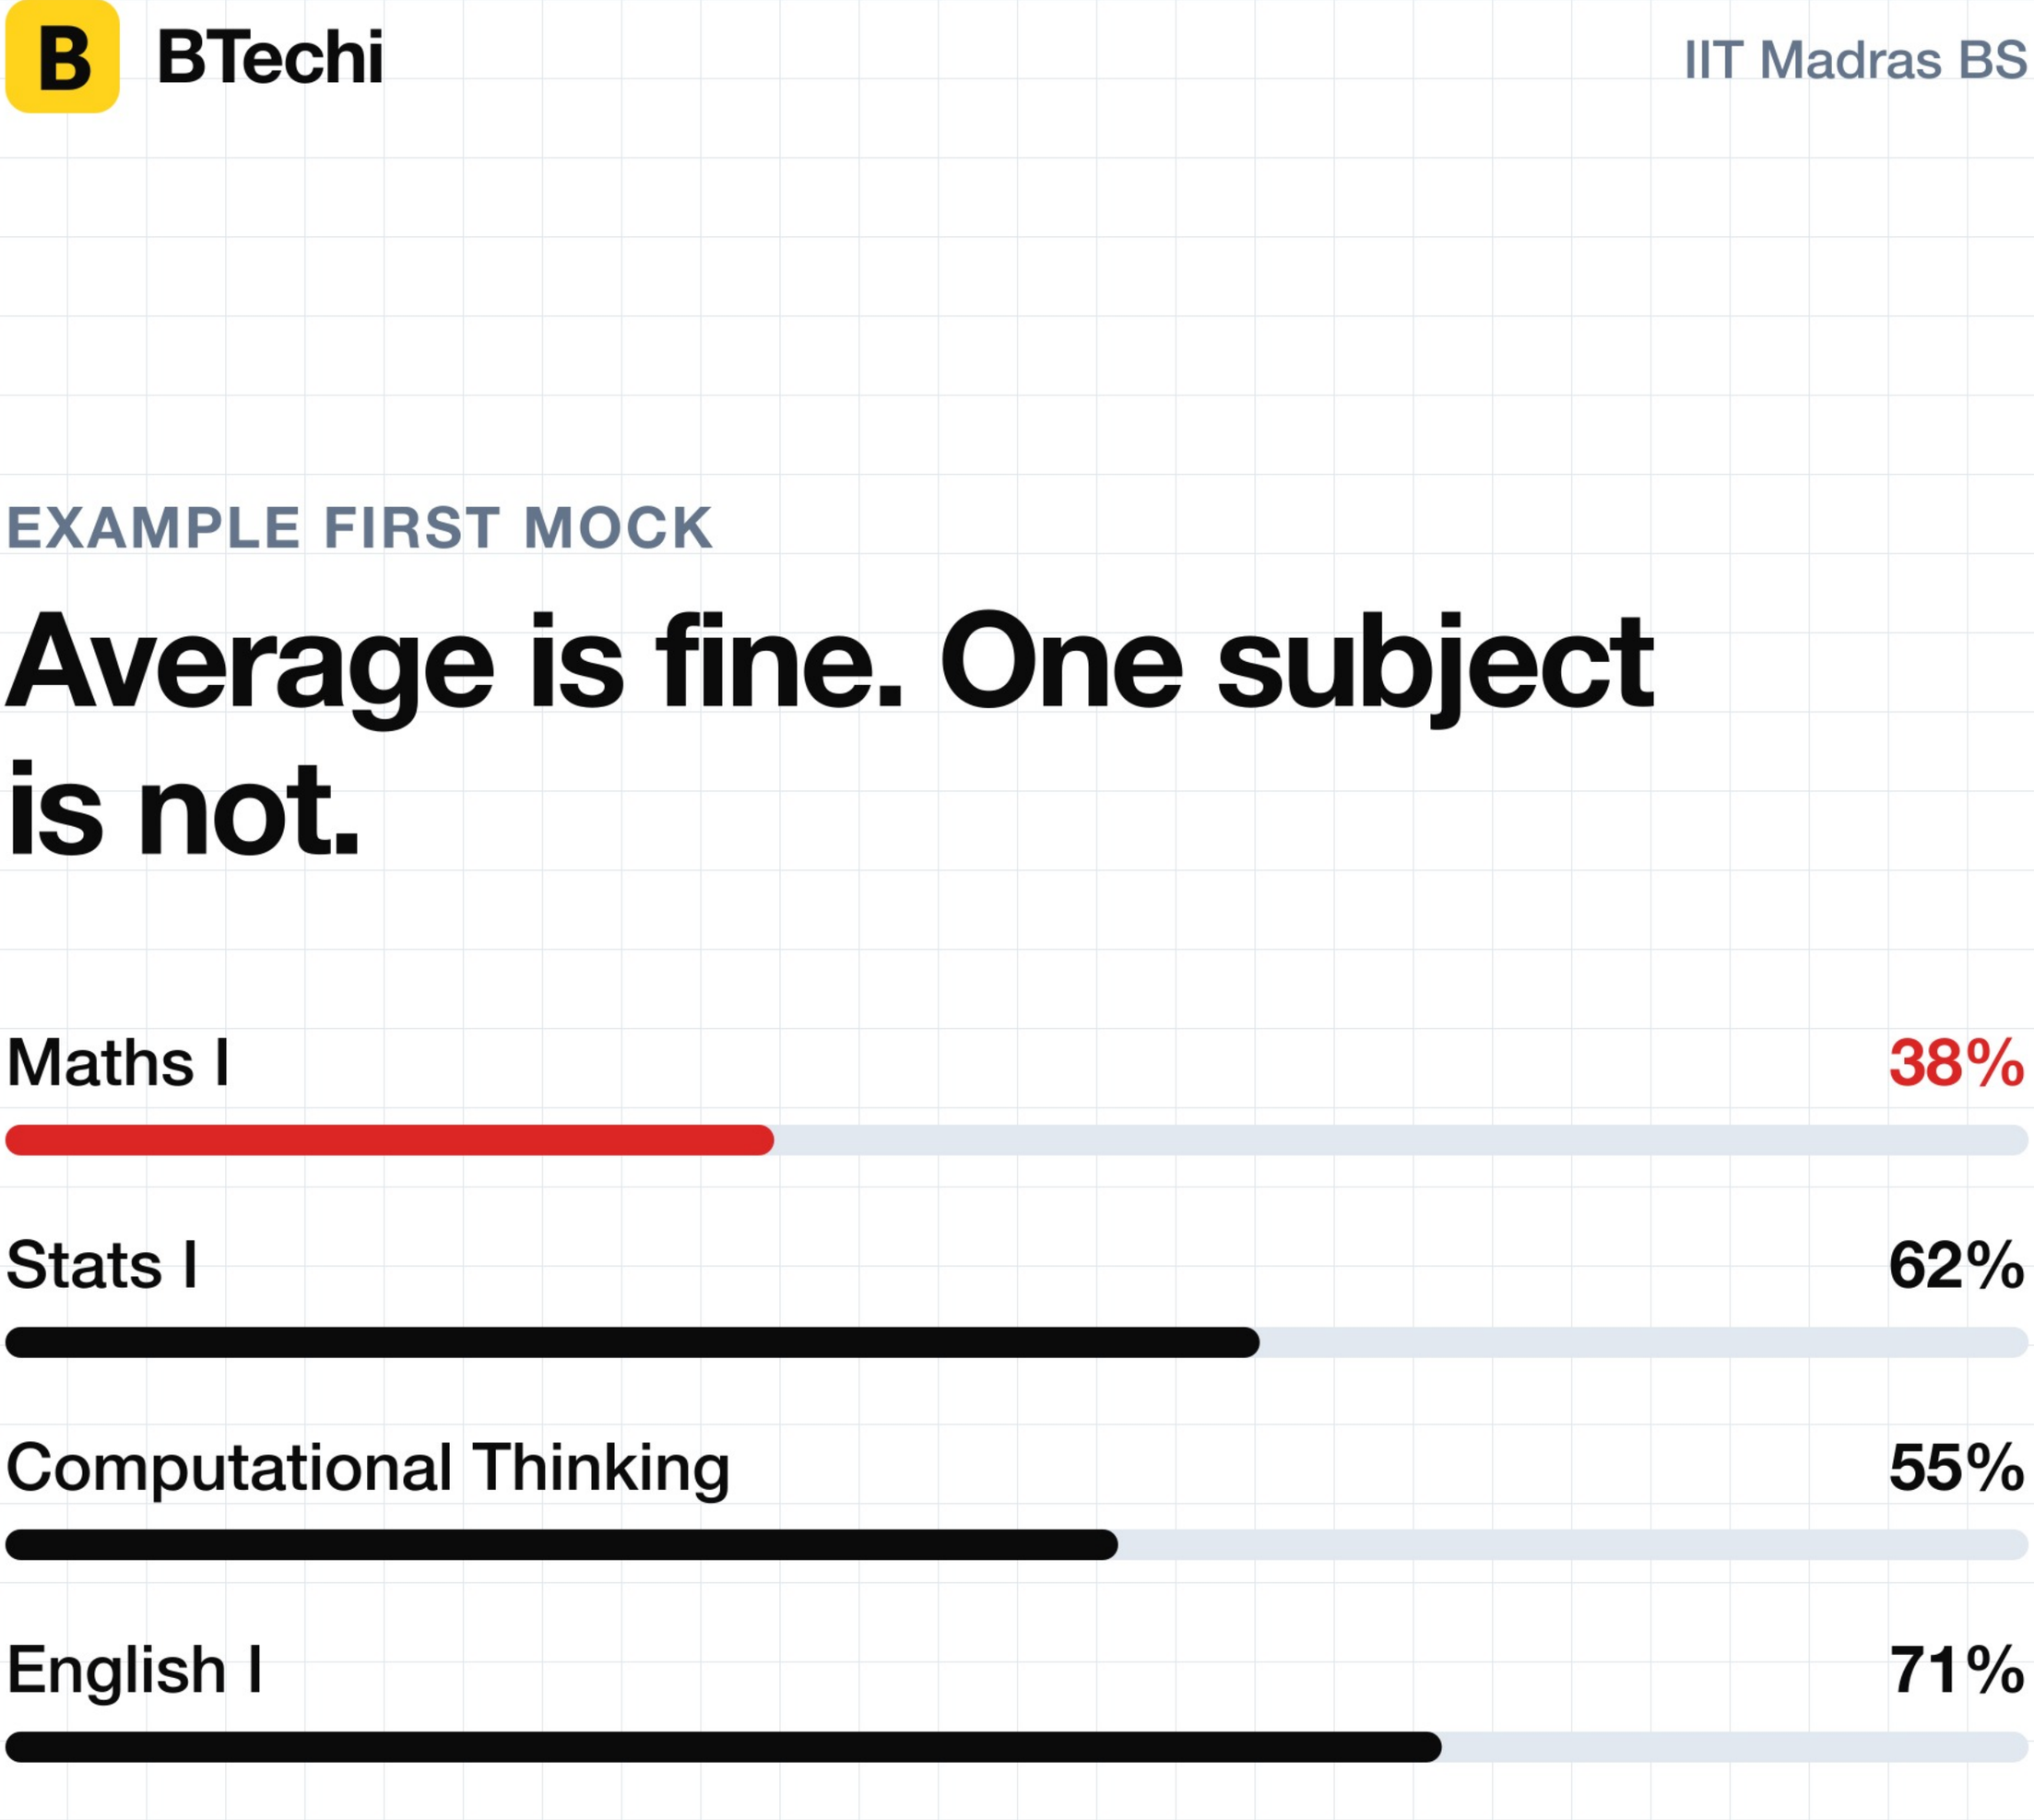

Every subject 40%+. Average 50%+.

List every wrong answer

Group them by topic.

EXAMPLE FIRST MOCK

Average is fine. One subject is not.

Fail

Average 56.5%, but one subject is below 40%

Example result. Next week's focus for this student: Maths I.

AFTER THE MOCK

Plan week 2 from your result

- Pick your 3 weakest topics. They are next week's plan.
- Write every mistake in your notebook, with the reason.
- Do not retake the same paper soon. Use a new one next week.

Practise real Qualifier PYQs free.

Timed mocks on the real exam screen, graded with the official answer keys.
